## COPY OF PLEDGES TO BE PRESENTED

BEGINNING OF AGITATION FOR  
COMMUNITY BUILDING.

## WILL SEEK SIGNERS AT SOCIAL TOMORROW

Even if Building Cannot Be Secured  
This Year, Association to Promote  
Athletics is Planned.

The pledges which will be presented at the joint social of the Union of Young People's Societies to-morrow night at the Presbyterian church are given below. They look toward the organization of the Maryville Christian Athletic association.

Three separate papers will be presented by the social and athletic committee, of which Martin Lewis, Jr., is chairman. One will be for men and young women over 16 years of age. It follows:

We, the undersigned, hereby express our desire for the erection of a community building in Maryville similar to a Y. M. C. A. or Y. W. C. A.; and we pledge ourselves to yearly membership for five consecutive years in an organization to be known as the Maryville Christian Athletic association at a yearly fee of \$10 in advance, or \$1 monthly if such a building is constructed.

Provided, however, that permanent removal from Maryville shall release the signer, or being away at school shall release the signer during his absence.

Provided always, that release may be obtainable by the signer at any time upon obtaining consent of the management of the association.

Provided, further, that any technical change such as name or any of the minor provisions of the above shall not release the signer from the obligation of his pledge.

In lieu of the fact that such a building may not be erected or completed during the coming spring and summer, we, the undersigned, favor the immediate organization of the Maryville Christian Athletic association for the purpose of promoting and directing inter-church and "non-Sunday" athletics, and to continue the efforts of the Union of Young People's societies for the erection of a recreation center in Maryville.

**Women's and Boys' Fees Smaller.**

The only difference in the paper for women and girls is that the fee for a year is set at \$5, or 50 cents a month. The pledge to be signed by boys under 16 years of age also sets the fee at \$5 yearly and 50 cents monthly, but contains this provision:

Provided, that when the signer be-

## FREIGHT CAR TRUCKS OFF Three Hours This Morning—Little Damage Done to Track.

A freight car on train No. 92, passing through here at 5:35 this morning, jumped the track west of the 102 river bridge, east of Maryville, and was dragged along for a half mile, damaging the tracks and breaking some of the ties. The trucks on the rear of the car went off the track. A work train arrived from Stanberry and in a few hours the track was cleared. Passenger train No. 11, due here at 6 o'clock, came in at 9 o'clock.

## ADVERTISING ADS

INTERESTING CAMPAIGN BEGINS  
IN DEMOCRAT-FORUM.

## WILSON OPINIONS SAT.

Series of Advertisements Will Appear  
Under Auspices of Maryville  
Ad Club.

And now comes the advertising of advertising. Tomorrow you can read in The Democrat-Forum what President Wilson says about advertising. A special advertisement by the president will tell what the chief executive has to say about publicity. Other articles by well known personages will appear from time to time.

This special ad appearing in The Democrat-Forum tomorrow is one of a series being placed in the advertising mediums of the country by the Associated Advertising Clubs of the World, an organization of more than ten thousand advertising men.

The Maryville Ad club is co-operating with the national organization and is taking up advertising problems that affect this community.

Monday evening there will be an open meeting of the club in the circuit court rooms. At this regular meeting the interesting subject of "Church Advertising" will be the program. The preachers of Maryville will talk at this meeting and members of the ad club will discuss the subject and give information. Anyone interested in this meeting may attend.

This is only one of many advertising subjects that the club studies. Every form of business publicity comes under the scope of the organization.

The "advertising advertising" articles, the first of which will appear in The Democrat-Forum tomorrow are part of the Associated Advertising club's campaign to show the value of publicity. They have been developed by some of the foremost publicity men of the country.

Eugene Yehle and Claude Glass Only  
Letter Men—Good B. B. Material.

King Fears Assassination and Revolt  
Expected—Brazil Seizes German Ships.

The first call for base ball was made

for this afternoon at the Maryville high school by Coach Paul Becker. Track work will begin at the same time. Only two letter men in track are left in school, Eugene Yehle and Claude Glass.

For base ball the following men will be out for these places: Egeley, catcher; Hagnis and Van Cleve, pitchers; Tilson, first base; Martin Lewis, Jr., and Clarence Cook, second base; Hagnis and Woodard, third; Harold Adle and Van Cleve, shortstop; B. Harris, Crawford, outfields. Mervin Seeleman will not take part in athletics this spring on account of his recent sickness.

The high school will not use the Federal park, but an effort is being made to secure the fair grounds for both track and base ball. The high school grounds will be used for practice for the immediate future.

Six games will be played in base ball, three here and three away. In track, a home meet to select M. H. S. representatives will be held just before a dual meet with some other high school, which will probably be arranged. Men will be entered in the northwest Missouri meet here the first week in May, and a team may be sent to Trenton or Fairfield, Ia.

Prospects for track are not at all bright in the high school. The two letter men are good for points and Ralph Yehle looks good, but there is a great dearth of men in almost all events. The boys are all very well pleased, however, at the consent of the authorities to have both base ball and track.

**ST. PATRICK'S AT NORMAL**

GOOD PROGRAM AND MUCH ENJOYED AT ASSEMBLY.

Miss Hoover and Fred Vandersloot  
Read, Schuler and Faculty  
Quartet Sang.

St. Patrick's day was observed at the State Normal school in assembly this morning when a very clever St. Patrick's program was given. Miss Elizabeth Hoover read "Mrs. O'Harrigan on Neighborhoods." Prof. H. B. Schuler sang "You Better Ask Me" and "My First Love."

A humorous reading, "Flannigan on Broadway Car," by Fred Vandersloot, was very characteristic of the Irishman. Miss Mary Boggs, instructor in physical education, gave an Irish hit dance in costume, and the faculty quartet sang "Juanita," and after due applause responded with "The Story of a Tack." The members of the quartet are H. B. Schuler, H. P. Swinehart, Walter Hanson and W. J. Osburn.

**ALDERMAN-YEHL IMPROVING.**

Increase in Patronage Causes Addition

A representative of the Lampson Carrier company of Boston is putting in three new package carriers in the Alderman-Yehele store this week. Increase in patronage has made a new demand for added equipment, and the company, always on the alert for the best of service, has taken another step forward in their efficiency and service.

The feature of the whole program will be the unique exploiting of the figure "25." A class of twenty-five will be initiated and other "stunts" are planned.

Sovereign Commander W. A. Fraser of Omaha is expected to be here, but if he does not come J. E. Fitzgerald, the district organizer, will be here. An elaborate banquet will be served by the Woodmen Circle.

## GENERAL MEXICAN SITUATION GOOD

CONSENSUS OF REPORTS TO THE  
STATE AND WAR SECRETARIES.

## ARMY HAS INCREASED THOUSANDS ALREADY

Many Rumors Concerning Villa's  
Whereabouts and Purposes—Car-  
ranza Hold Strong.

Special to The Democrat-Forum.

Washington, Mar. 17.—The United States army has been increased approximately 30,000 men including today's recruiting since the order was made to capture or kill Villa.

President Wilson shortly before noon today signed the joint resolution of congress authorizing the recruiting of the army to its full strength.

The senate today adopted a resolution approving the President's action in Mexico. Senator Mcumber of North Dakota declared that the United States was safer today from invasion than ever before in its history. At heart the people are opposed to the militarism suggested in the preparedness program, he said.

**Mormon Colony Probably Safe.**

Official reports to the state department today are that Villa has passed around Casas Grandes and proceeded south. Reports are taken to mean that the Mormon colony there is safe.

Reports from Juarez are that Villa is near Chihuahua and 200 Carranza soldiers well equipped for the field left Juarez for that scene.

**General Mexican Situation Excellent.**

"How do you make such delicious muffins? Mine are always so dry. And if I make the batter thin they fall. How do you do it?"

"I make them about as you do, only I use K C Baking Powder. Mine always turn out well, so it must be the baking powder."

It is the baking powder. To make muffins, cakes and pastry rich and moist, yet light and feathery, a modern double acting baking powder must be used—one that will give off leavening gas in the oven as well as in the mixing bowl.

## KC BAKING POWDER

is really a blend of two baking powders, one of which starts to raise as soon as moisture is added. The other is inactive until heat is applied. This sustains the raise until your muffins, biscuits or cake is done.

K C Baking Powder costs less than the old fashioned quick acting kinds, yet you need use no more and it is superior to them in every way.

## BAND STAND AT CLEARMONT

Citizens Show Appreciation of Live Musical Organization by New Home for Concerts.

Our people enjoyed a treat last Saturday evening, as the band improvised a platform in front of their band room on Main street and came out and gave us a splendid band concert.

The boys are doing fine and their performance so pleased our business men that on Monday morning W. G. Pruitt circulated a petition among them, and in a very few minutes secured money to erect a good band stand.

The ground was selected on the corner just across the street west of the Methodist church and work was commenced on it in the afternoon and was pushed right through and we now have a good platform and those band concerts will be of frequent occurrence from now on. The band boys sure deserve great credit for the rapid progress they have made since organizing last fall.

The citizens also deserve praise for the encouragement, financially and otherwise they have given the boys, and which we believe they will continue to do. The boys appreciate the help they have received and are willing and glad to do what they can for the benefit of the town and community.—Clearmont News.

## Kansas City Women Opposed To Giving Children Medicine

They Find "External" Treatment Better Than Internal Medicines for Children's Colds.

We give below letters from a number of Kansas City, Mo., ladies who were selected by their druggists to try out Vap-O-Rub—the "outside" treatment for cold troubles, introduced in this treatment after several different cough medicines had been tried with no effect." Mrs. Marshall also writes—"Vap-O-Rub appeals to us because the delicate little stomachs are not being loaded down with medicines containing opium and other harmful ingredients."

Mrs. J. S. Hollis, 3622 Forest Ave., used Vap-O-Rub for "a terrific cold—could not breathe through my nose at all—impossible to go to sleep." Used Vick's Vap-O-Rub and in five minutes was asleep and breathing easily."

Mrs. W. A. Winkler, 6228 E. 15th St., says—"My baby had a cold, almost pneumonia. I used Vap-O-Rub on him as directed, and in one day's time he was better."

Mrs. Anna Taylor, 6040 Walrond Ave., has four children, and says—"I have never used anything as good for coughs and colds as Vap-O-Rub."

Mrs. Harry Webb, 2123 E. 37th St., relieved her husband of bronchitis with two nights' applications. She also used on her four months old baby for cold and on the other children, and says—"I find Vap-O-Rub does everything you say."

Mrs. T. L. Marshall, 139 N. Lawrence Ave., has two children, one six 50c and \$1.00.

When the committee has secured all the signers possible, a mass meeting for the purpose of forming the organization and beginning a definite effort for the building will be called.

At any rate, an association will be sought to encourage and promote inter-church and week-day athletics. Among the activities which have been proposed are the building of several public tennis courts and the holding of a series of tournaments.

Others have suggested that such an organization would be the logical management for a team similar to the Boosters of last summer. Still other base ball enthusiasts are talking of a "Twilight league," which has been so successful in other cities. It contemplates the playing of a schedule of five inning inter-church games, beginning at 5:30 in the evening.

The formation and management of a junior church league is also proposed. It is any or all of these activities that the cabinet of the Union of Young People's Societies hope to see carried out through an organization to be known as the Maryville Christian Athletic association.

"CASCARETS" FOR A COLD, BAD BREATH OR SICK HEADACHE.

Best for Liver and Bowels, for Biliousness, Sour Stomach and Constipation.

Get a 10-cent box now.

Furred Tongue, Bad Colds, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret tonight will give your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months. Millions of men and women take a Cascaret now and then to keep their stomach, liver and bowels regulated, and never know a miserable moment. Don't forget the children—their little bodies need a good, gentle cleansing, too.

Withers in "Abuses Stript and Whipt" (1613) sings:

"And for my clothing in a mantle go And feed on shamrocks as the Irish do."

Not until later was the shamrock used as the national emblem of Erin.

Nathaniel Colgan, member of the Royal Irish Academy says the earliest record of the wearing "o' the green" is contained in the diary of Thomas Dinely, who wrote in 1887.

"17th day of March yearly is St. Patrick," an immovable feast, when the Irish of all stations and conditions wear crosses in their hats, some of pins, some of green ribbon, and the vulgar superstitiously wear shamrocks, three leaved grass which they likewise eat (they say to cause a sweet breath). The common people are servants also demand their Patrick's great of their masters which they go expressively to town, though half a dozen miles off to spend, where sometimes it amounts to a piece of 8 or 10 cobs a piece, and very few of the zealous are found sober at night.

A later reference to the wearing of the shamrock appears in the works of Dr. Caleb Threlkeld, a botanist of the early eighteenth century. He says: "The people wear the plant in their hats in commemoration of St. Patrick," believing that St. Patrick used the three lobed leaf to explain the Christian Trinity. This belief is generally said by antiquarians to have arisen in the fourteenth century, almost a thousand years before the time of Patrick, who died in A. D. 493.

In that year, says the Annals of Ulster, "Patrick, the arch apostle of the Scotti (Irish) rested on the 16th day of the calends of April (March 17) in the 120th year of his life, the 60th year after he had come to Ireland to baptize the Scotti."
